LOUISIANA

FOREWORD

•

The Lagniappe, in this 1941 edition, is a vital mirror of the life at Louisiana Polytechnic Institute. Herein is reflected Tech's beauty, its progress, its friendship. The following pages are a record of how its students and faculty study, play, mature.

THE TECH

Celebrating its fourteenth birthday on April 12 this year, The Tech Talk, official college newspaper, is published weekly by the Louisiana Tech journalism students. It is published in the Tech printing department, one of the most complete plants of any college in the South. In addition, Tech maintains a photography studio and photo-engraving plant to serve college publications.

THE ATHLETIC DIRECTOR AND HEAD COACH

JOE AILLET

Coming to Louisiana Tech at the close of the 1939 football season to become Athletic Director and head coach of the pigskin eleven, Joe Aillet immediately won his way into the hearts of the student body. Under his able guidance, athletics at Tech have increased their domain and aroused interest which was heretofore lacking.

After playing football for St. Edward's university, Aillet began his coaching career and it was to his credit that the great Normal

team of two years ago rolled to its success. Employing the Notre Dame system at Tech, he proceeded to produce a Bulldog team which fought its way to glory by defeating some of the powerhouse elevens of the nation.

HIS FOOTBALL STAFF

Along with the new Athletic Director came Cecil Crowley as assistant football and head basketball coach. A former Centenary College star and coach at the Male high school of Louisville, Ky., Crowley directed the Tech basketballers to the second place spot in the L. I. C. Conference and aided greatly in producing the Bulldog grid team.

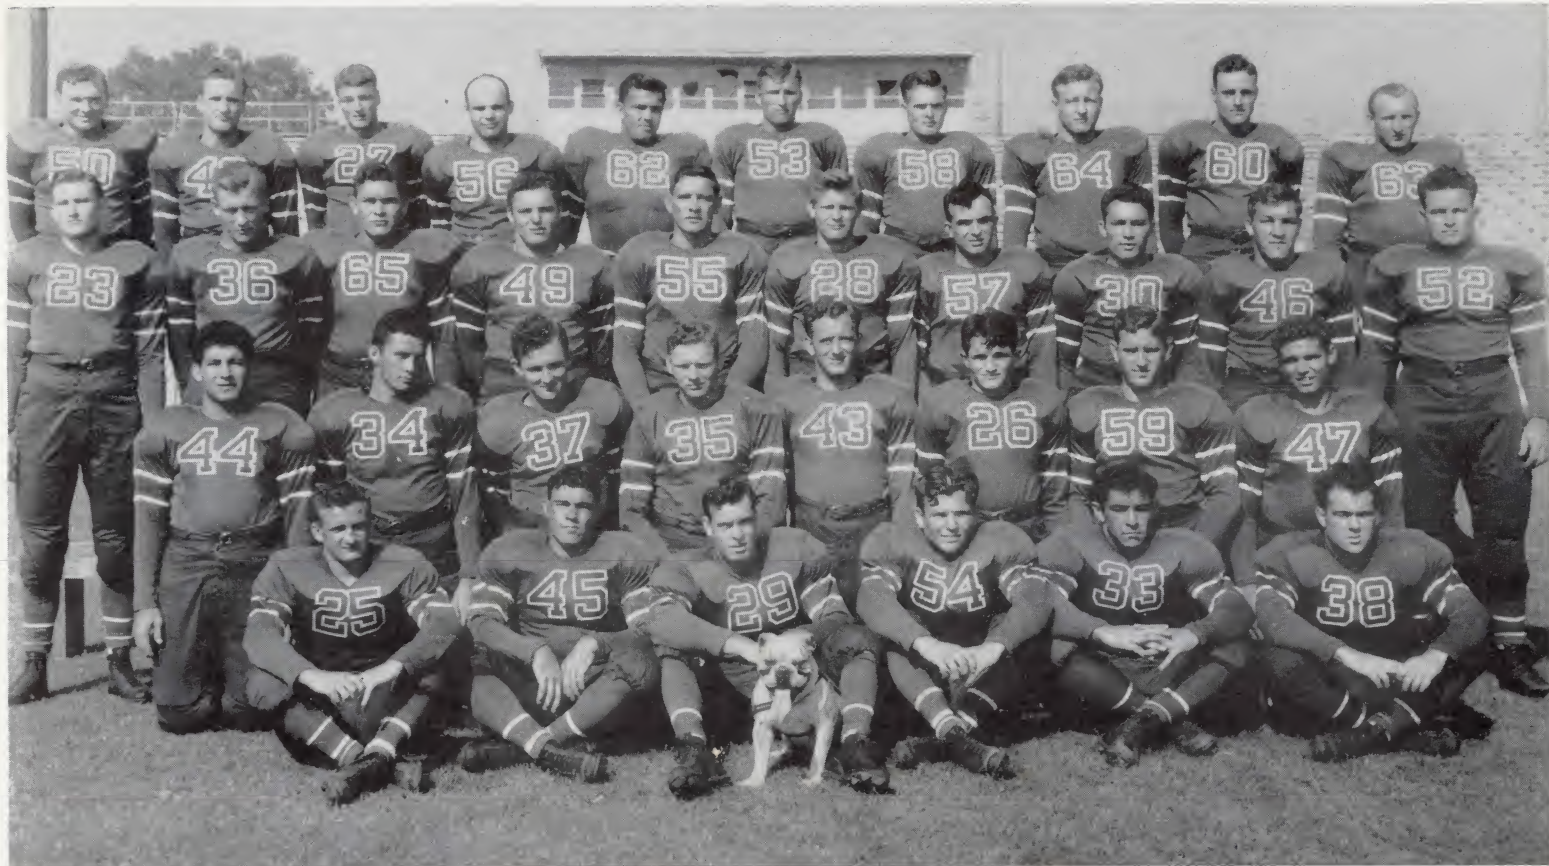

Eddie "Doc" Wojecki, as head trainer of the Canines, continued to care for bruises and pains of injured Techsters.

CECIL CROWLEY

EDDIE "DOC" WOJECKI

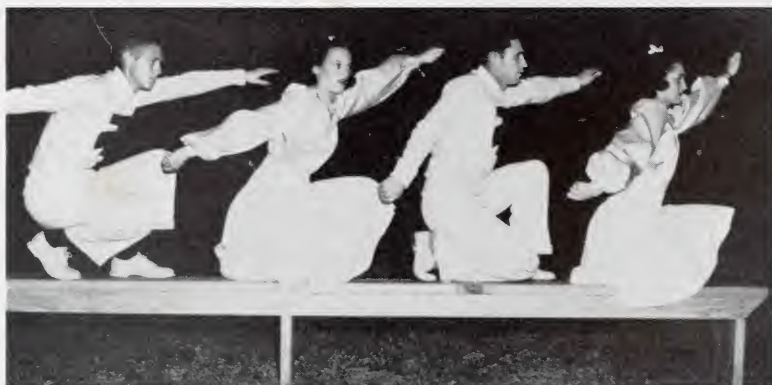

Wearing the Red and Blue for Tech during the 1940 football season were:

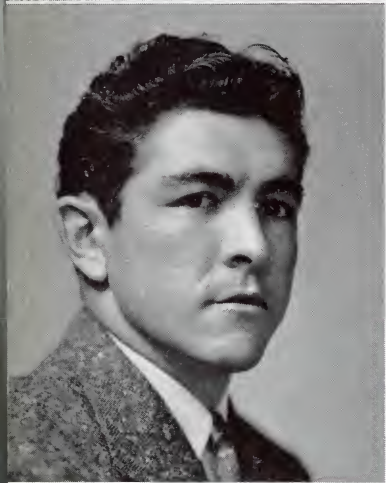

FRONT ROW, *Wojecki, Scott, Vise, Dickens, Bonin and Ford.*

SECOND ROW, *Michael, Gregory, Yarborough, Llewellyn, Parkes, Balance, Bishop and Tinsley.*

THIRD ROW, *Barnett, Lanham, Widener, May, Carner, Perritt, Laughlin, Zoeller, Reardon and Roberts.*

BACK ROW, *Pierce, Merriot, Barker, Smith, Nash, Tyler, Hammons, Vascocou, Burgess and Phillips.*

FREDDIE MICHAEL, *Fullback*

PAUL BONIN, *Guard*
TRAVIS HAMMONS, *Center*

THE 1940 FOOTBALL SEASON

Journeying to Baton Rouge to take on the powerful Louisiana State Tigers in the opening game of the season, the Bulldogs gave the Bayou Bengals quite a scare when they led 7-6 at the end of the first quarter.

After Bernie Moore's machine scored early in the first period, Tech came back to take the lead, when James Tinsley, playing like an All-American, tossed an aerial into the waiting arms of Garner in the L.S.U. end zone and Freddie Michael kicked the extra point. The entire Canine team fought valiantly every minute of the game but the weight and reserve strength of the Tigers was too much for their smaller foes and the game ended with the score reading 39-7.

The following week the Bulldogs ran into unexpected trouble when they met the Ouachita College Tigers on neutral ground at El Dorado. Scoring in almost every imaginable way, the boys from the Razorback State downed a surprised Tech team 17-0. The College, outweighing the Canines to an even greater degree than did L.S.U., stopped every thrust of the Techsters which might have been turned into scores.

BULLDOGS BLAST MINERS

Returning to Ruston for the first home engagement of the season, the Bulldogs hit the comeback trail in great fashion at the expense of an unbeaten Texas College of Mines' eleven. After Gregory recovered a Mucker fumble on the opening kickoff, Barker and Zoeller combined their plunging abilites to carry the pigskin to the ten yard marker. From this point Perritt carried the ball over on an end sweep for the first tally. Shortly before the first quarter ended, Wojecki raced 41 yards around left end for a second score. Only once were the Miners able to cross the Tech goal line. Their lone counter came in the third period after a sustained drive of 40 yards. Tech's final marker came in the fourth canto with Perritt slipping through the center of the line for 21 yards and a touchdown. The final score was Tech 19, Texas Mines 7.

Still showing the fight and spirit of the past week, the Bulldogs battled to a 7-6 win over the Western Kentucky Teachers from Bowling Green. The unbeaten Teachers showed the Techmen some of the hardest football ever to be played on the Canine gridiron. After "Tag" Yarborough took in a pass across the goal line for Tech, Michael brought victory to his team with a perfect place kick.

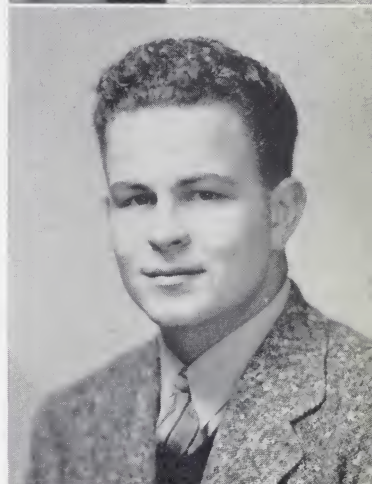

Hitting the road again, the Techmen dropped a heart breaker to the Normal Demons in the annual grid classic at the State Fair, 13-0. Playing like champions throughout the first half, the Bulldogs lost several scoring opportunities with costly fumbles.

TECHSTERS TRIP TITANS

Returning to Tech stadium for an engagement with the Titans of Illinois Wesleyan, the Bulldogs proceeded to ruin that team's perfect record and cop its third straight home game 20-14.

After Wesleyan had recovered a Canine fumble to score early in the first period, Perritt started Tech on its first scoring march when he returned an Illinois punt from his own 40 to the Titan 16. Pounding down to the five, Michael carried the oval into pay-dirt for six points. Illinois combined a Tech fumble with a penalty in the third quarter to help them score and go farther out in front, 14-6. Michael and Perritt combined their talents to score twice in the last half to take the game.

Invading Lafayette to seek revenge for last season's homecoming defeat, the Bulldogs met the Southwestern Louisiana Institute gridders and were handed a 7-6 defeat by the downstaters.

Southwestern scored in a very few plays after the kickoff when Neil ran 80 yards to pay-dirt. The Canines came back strong and matched this when Perritt slashed through right tackle and raced 40 yards to score but the try for extra point was no good and the game ended without further scoring.

Playing in a sea of mud, the Bulldogs sunk the Louisiana College Wildcats for a 15-0 homecoming victory. As in all previous games, Michael's punting was spectacular. Outkicking the Cats' punter, Mike was mainly responsible for setting up scoring opportunities for the Canines. The whole team worked as a unit with Bishop and Nash doing outstanding work in the line.

Out of South Louisiana came the Southeastern Lions for Tech's last home game of the season. Picking up yardage almost at will, the Canines had a field day in trimming their opponents 26-6. Practically every man on the Bulldog roster saw service with Perritt, Michael, Parks, Garner, and Phillips playing stellar roles.

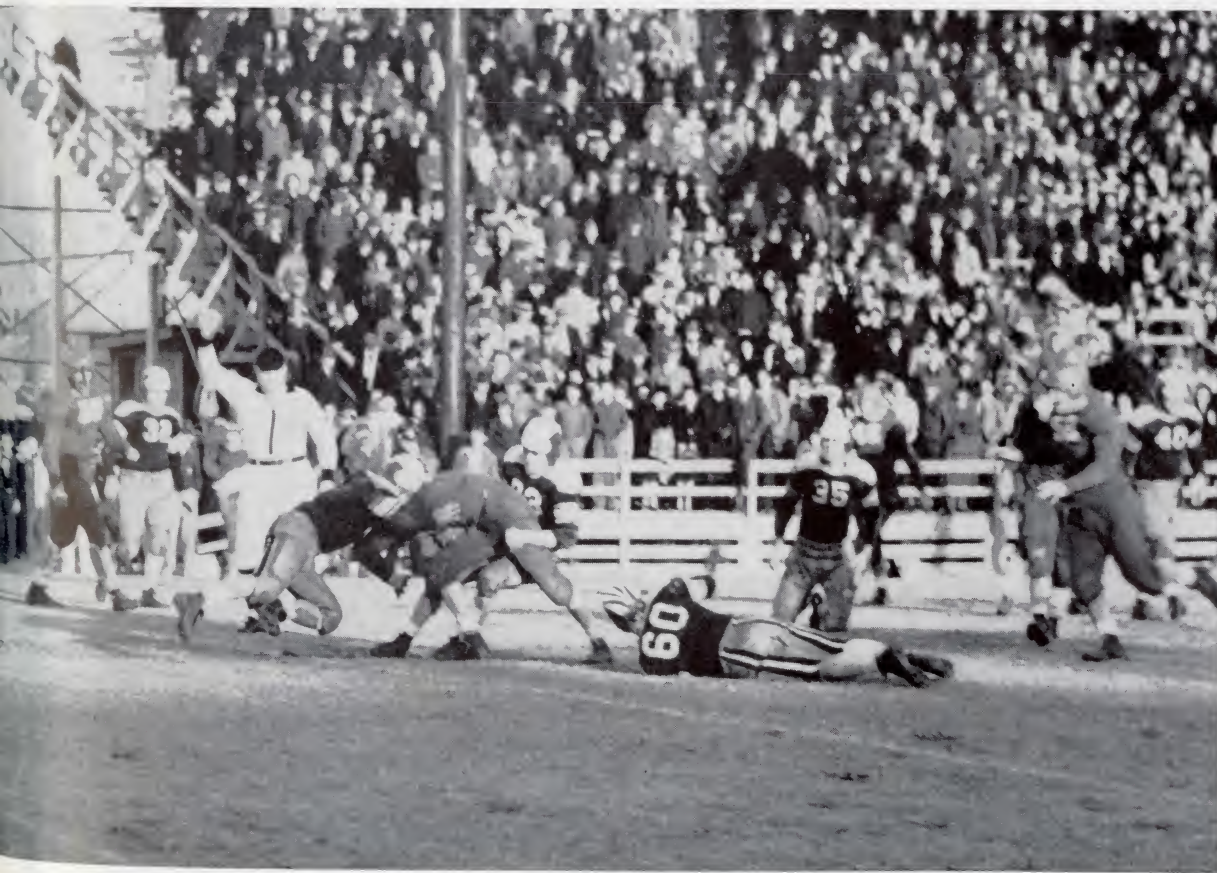

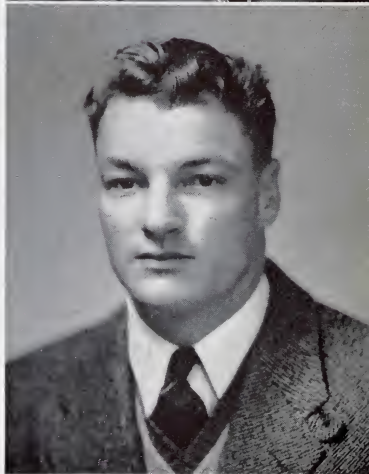

Western Kentucky Teachers gang upon Perritt to drop him after a short gain.

BLANK GENTLEMEN IN FINAL OF SEASON

To highlight a successful season, the Techmen wound up the campaign by outplaying the Gentlemen of Centenary College 6-0 in a very close battle. With both teams playing on practically even terms, the game was finally decided in the third quarter when Bob May, Tech's fine blocking back, intercepted a Gent pass and raced 75 yards for the game's only score. Peritt broke loose for a 42-yard run to add to the thrills of the day. Yarborough and Vascocou were outstanding in the line while the whole backfield played a brilliant game.

Beginning his seventh year as head coach of Freshmen athletics, George (Blue) Hogg produced one of the finest football squads ever to don Bulldog uniforms. Winning three of four encounters, the Bullpups were rated as one of the best freshmen teams in the state.

The junior Bulldogs drove to three decisive victories over Neville high school, the Normal Imps and Centenary Gentlemen by scores of 20-0, 33-0, and 35-0 respectively. In losing their only game of the season to Magnolia A. & M., the Techsters lost a golden opportunity to win that battle as one of their touchdowns was called back because of a penalty.

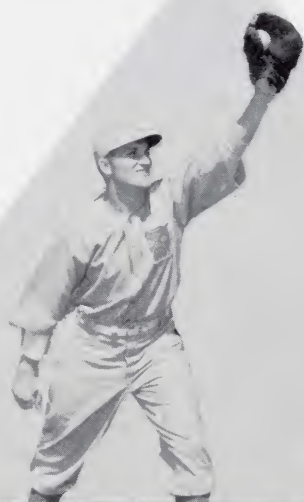

After the pigskin parade had faded into the background, Coach Hogg turned his attention to Frosh basketball and a little later to the baseball diamond.

CAGERS ON THE HARDWOOD

The Louisiana Tech Cagers of 1940-41 played 17 games, winning seven and losing ten. Meeting two non-conference foes, the Techsters dropped three battles, two to Loyola of the South and one to Milsaps College. In Louisiana Intercollegiate Conference competition the Bulldogs gained an even split in their 14-game schedule to land in a tie for second place with the Gentlemen of Centenary College.

Most persistent victims of the Tech hoopsters were the Louisiana College Wildcats who dropped a four-game set to the Canines. More grudging were the Centenary Gentlemen who held the Bulldog quintet to an even break in a four-game series. The other season's victory came over Southeastern, who later avenged this defeat by trouncing the Red and Blue on the Lions' only invasion of the local campus. The Normal Demons and South-western Bulldogs stopped the Canines in four encounters, winning two games apiece.

FRESHMEN BASKETEERS

In reviewing the season of the Tech Freshmen basketteers, the records show the first year men won five of their 11 games played and scored 363 points to 368 for their opponents. Joseph "Buddy" Parker, 6 foot-5-inch center for the Pups, led the team scoring with 112 points while "Bearcat" Booth came second with 83 counters. Third man in scoring was Joe Tom Mabry who garnered 42 markers in the 11-game season.

The Bullpup's worst defeat came at the hands of the Morris-Dickson Druggists, southern A. A. U. champs of last year. In a two-game series with the Pups, the Druggists took both tilts by scores of 43-24 and 47-29.

Louisiana Normal's Imps also swept their two-game series with the junior Canines, winning once here, 29-25, and once at Natchitoches 40-22.

A four-game set with the Freshmen of Centenary saw each team win two games. The Gent wins were by the scores of 38-32 and 34-28 while the Tech victories were by 35-31 and 33-29 counts. The Flyers of Barksdale field in Shreveport were victims of the Pups in a two-game series, the Techmen winning both games, 29-26 in Shreveport and 49-34 at home. In the only other game of the season the Canines tripped Doyline high school 56-18.

Awaiting their turn to take over duties for the Varsity are these promising cagers.

SEASON'S PREVIEW

With a brilliant pitching staff backed by a great defensive infield and outfield, few could feel that the 1941 baseball campaign would be anything but successful for the Bulldogs. Taking over the catching duties for the Bulldogs in their first season on the squad, "Big Jim" Garner and Edd Roberts held down that position in great fashion. Ora "Ding" Merriot took over his old stand at first base.

Bobby Young at second and "Teedie" Bonvillion at shortstop gave new blood to the team.

In switching James "Weedie" Tinsley to the hot corner at third base after pitching for the Bulldogs last season, Coach Hogg found a real defensive man.

Roaming the outer gardens were such stars as Daniel Otts, Billy Hinton, Chester Wojewski, Tim Tyler, Walter Ford and James Matthews.

On the mound for the Canines, Earl Baker, Frank Taylor, Leroy Hewette, Robert James Lancaster and Eugene Nunnally were to give the opponents no end of trouble with their twirling.

Opening the season in Ruston against the University of Illinois, one of the finest teams in the Big Ten conference, the Bulldogs, behind the superb three-hit pitching of Earl Baker, sophomore right-hander from Birmingham, Alabama, downed the Illini 5-2. In the last of a two-game series, the Northerners turned on three Tech hurlers to blast out a 15-4 triumph.

Following the Illinois battles, the Hawkeyes of the University of Iowa came to town and proceeded to hand the Canines two setbacks in as many games, winning by scores of 8-2 and 8-5.

Marking the opening of the Louisiana Intercollegiate Conference race for the locals, the Techsters routed the Normal Demons by scores of 8-0 and 9-1. Returning home for two more battles with Normal, the Bulldogs again slugged their way to victory by scores of 7-0 and 11-3.

Measuring things up with Coach E. M. Shirley.

Returning to the sports world for the first time in a number of years, Coach E. M. Shirley became head director of the Bulldog track team, taking over the position recently vacated by Herb Duggins.

In the first of three scheduled meets, the Canines journeyed to Clinton, Mississippi, to take part in a triangular affair with Mississippi College and Millsaps. Emerging on top with a total of $51\frac{1}{2}$ points, the Techsters gave warning that they were to be reckoned with in the remaining meets of the year.

TECH LINKSMEN AND NETMEN

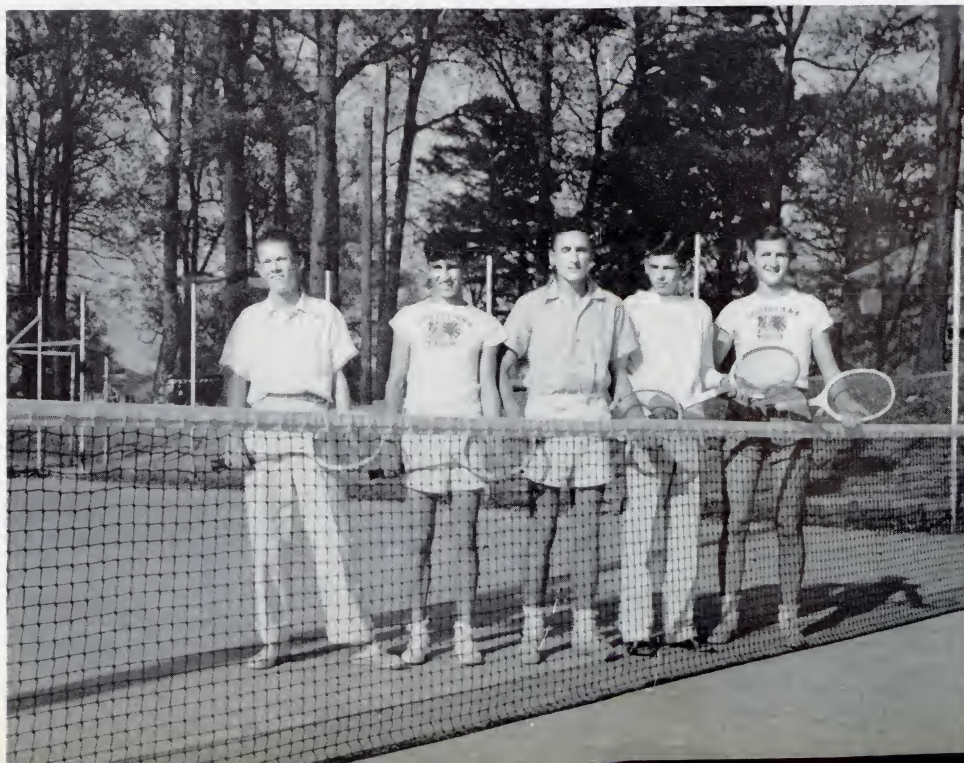

Gleason, Pearce, Alford and McKenzie.

Engaging the Southwestern Louisiana Institute golfers in the season's opener, the Canines drove to their first win of the year. No other contests had been played at this time.

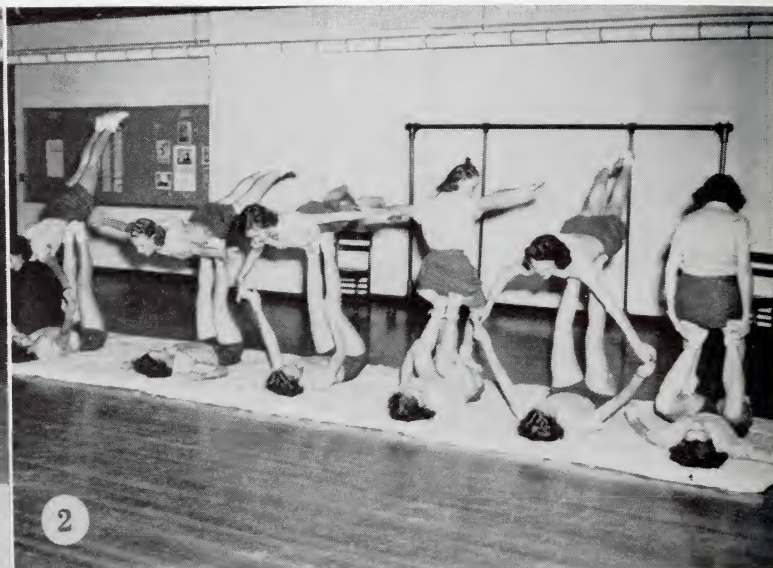

Composed of four seniors, one junior and one sophomore the Louisiana Tech Varsity tennis team began its net wars for the 1941 season.

WOMEN'S ATHLETICS

While Tech does not encourage interscholastic athletic competition for women, intramural sports and activities play a large part in the well-being of the girls. Pictured are typical examples of these activities.

INTRAMURAL SPORTS

Golson of the Rookies, volleyball champions, goes into the air to drive a counter into the score card. Opposing the title-holders was the Pi Kappa Alpha fraternity. As the season progressed the Rookies found themselves perched atop the Intramural League, closely pursued by the Arcadia Gophers.

Mike Wells, after his appointment to the helm of Intramural sports at Tech, won the popular approval of the entire student body by working out the best athletic program that this campus has seen in many a day. Every game possible was used for competition in the race for championship honors.

Forming two groups, the Intramural and Fraternity Leagues, Coach Mike started things off by staging a tennis tournament and later football competition. He also brought the boxing game back to the fight fans when fistic battles were held about mid-season.

Delta Alpha Rho is an honorary engineering fraternity organized in 1928. Primarily the organization functions as a means of marking in a fitting way those students of engineering who are outstanding in scholastic attainment and qualities of leadership. United in the bonds of fraternal brotherhood, these students act to promote scholarship and engineering activities.

The outstanding contributions of Delta Alpha Rho to the School of Engineering are: The awarding of a slide-rule to the first semester freshman making the highest scholastic record each year, and the sponsoring of "The Tech Engineer," quarterly publication of the School of Engineering.

The Tech Symphony Orchestra

Symphonic music is rapidly increasing in popularity, and membership in this organization has trebled in three years. This organization has done much to promote an appreciation in the higher fields of symphonic music, and string players are particularly welcome. Mr. LaVerne Irvine, director.

Under the direction of Mr. LaVerne E. Irvine, the instrumentation of the Girls' Band has grown remarkably in the short time it has been organized. Girls who were proficient musicians in high school find this organization a means for developing their instrumental abilities further while at the same time enjoying desirable contacts.

LOUISIANA TECH CHOIR

The Tech Choir has achieved much distinction. Membership is by invitation only. This group stresses study and performance of the best choral works for mixed voices both a capella and accompanied. Elbert Haskins is the director.

The Band O'Glee, an organization composed exclusively of girls above the Freshman level, rehearses and performs some of the choice musical literature for women's voices. Its appearance on a program assures an atmosphere of grace and dignity. Miss Avon Lee Blakely, director.

THE LYRE CLUB

The Lyre club is composed of band members of at least one semester's standing. It was formed by those who wished additional opportunity to take part in ensemble music. It sponsors various dances and the annual "variety show."
